Service - Our Mission

"Older Americans Month" Vision Screening

Fairfax Lions performed vision screening at the "Older Americans Month" Open House in Fairfax City's Senior Center on May 2nd 2018.

The screening featured a discussion of the "SPOT" camera system we use, and usefulness of the screen results. We screened 10 individuals, and referred one for a complete eye examination.

KL Marty explains the screening process...

and discusses individual results

The senior center is equipped with two outdoor courts designed for Bocce Ball - but may also be used for horseshoes. A few Fairfax Lions teamed up a few years ago, with a small budget provided from our Club's charity

account, and built those courts. It is nice to see the City acknowledges our Club's service on the signboard.

Lion Joe and Terry Breda organized bocce ball games with interested folks at the May 2nd "Older Americans Month" open house. Also participating was Marcia Selva, a strong supporter of Lions service activities.

Canned Food Drive - May 1 & May 15

email from Lion Marilyn Tanner

This month's Food Drive collection actually began during the winter holidays, when Lion Jim Kaplan asked his guests to bring shelf-safe food goods to a party. They did, and Jim gave them to the club.

Then, Lion Marilyn told us in an April email: "Although this Lions' year is rapidly drawing to a close, there's still some important work we can do to help those in need

in our community! The school year will end soon, and area food banks face a critical shortage of food as they try to feed families in need, with school-age children.

For the past several years, the Fairfax Lions have collected shelf-safe food items and delivered the donated items to Food for Others (a local food bank). We'll be doing that again this year."

Fairfax Lions responded - and donated many bags of appropriate food items. Jim's earlier collection was combined with the donations brought by many club members. To cap it off, Lion Marilyn purchased more food using available budgeted club charity funds. In all, 546 pounds of nutritious food was assembled and delivered to "Food for Others" food pantry on Thursday, May 17th.

Red Cross Blood Drive - May 18th

- In Honor of Lion Elden Wright -

For many years Lion Elden orchestrated blood drives at his church. After our drive on May 18th, the total number of good units generated for the citizens of Fairfax now stands at 3279 since Lion Elden started these blood drives.

Following the May 18th drive, we received this note from the Red Cross: "Thank you for your support. Please extend our appreciation to all volunteers and donors for their life-saving contributions. The results: 12 Donors; 2 Power Reds; 14 live saving units of blood."

We fell short of our goal of 30, and missed the presence of Elden's emphasis! But we thank all donors, including several from our Lions Club family who showed up to donate: Rob and Patti Higginbotham, Mike Schutz, Scott Dulaney, Gary Maxwell and Cory Green. Supporting the service activity were Lions Marilyn Tanner and Gordon Tillery.

You may be interested to learn about a device used in the collection process: a scale. Blood being drawn flows directly into a collection bag attached to a pedestal scale (photo below) - which continuously weighs the contents. The weight measured by the scale is converted to volume (in milliliters). When the bag reaches 470 milliliters (one good unit, about a pint), the scale shuts off the flow into the bag, and alerts the attendant.

Clifton Lions Serving The Lamb Center

KL Marty Lockard visited the Clifton Lions dinner meeting on Thursday, April 26. Clifton had invited our KL to attend along with the Executive Director of The Lamb Center, and the Mayor of Fairfax City. As we know, KL Marty is a strong advocate for The Lamb Center, leads our Club's service there, and volunteers a lot of his own time working with Center guests. Clifton Lions are looking to join Fairfax Lions in supporting The Lamb Center. Clifton LC has

already stepped up - they donated \$1,000 to The Lamb Center this year.

FACETSCARES Vision & Hearing Screening

FACETSCARES provides group homes for homeless, needy men. They have invited our Club on Monday, June 11 to screen up to 20 men for vision and hearing. **We need two persons to join KL Marty Lockard (contact Marty if you can help).** Arrive around 9:45AM, screening shouldn't take long. The location is just off Braddock Road about half way between Shirley Gate Road and Fairfax County Parkway.

Fund Raising - Underpinning Our Service Mission

May 6th Vision Walk

by King Lion Marty Lockard

VisionWalk is a national fund raising effort by the Foundation Fighting Blindness. Since its inception in the Spring of 2006, VisionWalk - nationwide - has raised over \$45 million to fund sight-saving research.

The local VisionWalk event this year, on May 6th, was held at Cameron Run Park in Alexandria. KL Marty reports: "We had a nice 5K walk (yes, it is exercise) in good weather

along a large creek and around a lake with a lot of birds and turtles. Perfect venue to walk your dog. It is worth the time to come out and walk, talk, and joke with other Lions and non-Lions supporting the Foundation Fighting Blindness (FFB). I believe there were about 70 Lions walking from D24A. This was a subset of the total walkers. There were numerous volunteers, mostly from the Univ. of Maryland, who cheered us and provided water along the trail. The FFB research seems to be reaching a critical mass, particularly with those going blind because of a particular inherited gene. Our club donated \$1,000 this year from our charity account. Plus, I'm aware of some individual contributions."

Lion Davida Luehrs, the No.VA Chapter President for Foundation Fighting Blindness reports this year's walk raised \$17,597 with additional donations still being sent in. Seventy Lions attended the walk.

Davida: "The incredible news is our No.VA Chapter is now only \$234,000 away from raising \$2 million dollars to fund research ending blinding retinal diseases since our chapter's inception. We WILL accomplish this goal by 2020, Stay tuned for future details."

Lions Dinner Out

Seven folks gathered at The Auld Shebeen on Wednesday, May 9th: Marilyn Tanner and Chuck Higdon, Joe and Terry Breda, Rob Higginbotham, and Gordon and Elsie Tillery.

We had a good time and received a check for \$22.40 for our club Charity programs. (Total now, \$432 for charity.)

While this has been a fun social activity, the regulars decided at dinner to break for the summer months. So, **WE WILL NOT MEET ON THE 2ND WEDNESDAY OF JUNE/JULY/ AUGUST.** We will re-start in September.

Lions of VA Foundation Raffle

by 1VP Karen Parker

We were asked to sell 10 books - which we did. We were sent 5 additional books - which we also sold. This was a total of 15 Books. Each booklet contained 30 tickets at \$1.00 each (30x15 = \$450.00 from sales).

Of that, the Club made \$300.00. Lions of Virginia Foundation was sent a check in the amount of \$150.00, and the ticket stubs. The drawing is at the state convention.

Thank you Lion Karen for orchestrating this fund raiser!

Dinner Meetings

May 15th

The theme of the dinner meeting was "Funny Money," and the main challenge was to guess the number of coins (of various types) in a large jar. Guesses ranged from around 200 to 600. The correct

number was (as I recall) 545. The closest guess was by Lion Mike Schutz (our club "Bitcoin" guy - is that a COINCidence?), and next closest was Lion Joe Breda. Both took home a prize. Some folks brought in interesting currency (coins and bills) for all to look at.

The Guest Speaker was Michael O'Dell, who spoke in his capacity as President of the City of Fairfax Theater Company - where he is a volunteer. Michael is also President of RockFire Consultants (culinary - customer experience firm), and an executive chef. Michael thanked our club for our support, and discussed his vision for the Fairfax Theater: continue to expand the number and quality of both stage productions and talent, and acquire their own theater facility. He seeks board members, and is open to any ideas - especially about partnering with our club. Lion Karen Habitzreuther suggested there may be a mutual interest associated with the Lions Clubs of VA Bland contest.

President Fairfax Theater Company

The Theater Company's next main stage production is "Footloose." Performance: July 20 - 28. Check the web page for info. <http://www.fairfaxcitytheatre.org/>

King Lion Marty Lockard announced that after much thought and careful consideration, he is declaring the Lion of the Year to be: Marilyn Tanner!

Lion Marilyn Tanner Accepts Lion-of-the-Year Certificate
Congratulations Marilyn!

Lion Marilyn will be recognized at a ceremony on August 1st. The ceremony will honor all volunteers of the year in the local area, and is put on by the InterService Club Council of Fairfax City. (Lion Marilyn's 50-50 winners: Lions Joe Breda, Gordon Tillery

June 5th

This was a special night: special visitors, a special presentation, and special memories of a special Lion. The theme was **"Honoring Lion Elden Wright."**

Guests included Past District Governor Woody Woodward (President, VA Lions Eye Institute), Richard Falls (VLEI Treasurer), and Bill Wright - Lion Elden Wright's son. Another guest was potential new member Diane Druyor.

It was an honor to recognize Lion Elden for his many contributions over 35 years as a Lion. KL Marty Lockard presented Woody Woodward a check for \$1500 made out to VLEIF in special recognition of Lion Elden's lengthy and dedicated service to VLEIF and to Fairfax Lions Club. The photo below has KL presenting a large simulated copy of the check thru Elden to Woody.

In the next photo, KL Marty Lockard presents special citation from our Club honoring Elden. (The whole citation is attached at the end of this newsletter.)

Woody presented the VLEIF Progressive Humanitarian Award to Elden (next photo), and the subsequent photo shows Elden's son Bill pinning the award pin onto Elden.

For this wonderful occasion, Lion Elden Wright was surrounded by PDG Woody Woodward (President, VA Lions Eye Institute), Dr Richard Falls (VLEI Treasurer), Dr Suleiman Alibhai (VLEI Low Vision Center Director), and KL Marty Lockard (next photo).

Following the award presentations, several Lions spoke from the heart of their personal memories of Lion Elden's leadership, dedication, and success over the past 35 years in serving those in need. As his citation (attached at the end of this newsletter) says: **"A genuinely dedicated servant of his fellow man, Elden Wright's actions exemplify the Lions' motto of 'We Serve.'"**

Our meeting speaker was Lion Mike Schutz - on the topic of block chain technology and cyber currency (like Bitcoin). Mike had a short slide show - which was invaluable for several folks (like your newsletter editor) not familiar with the topic. Here is a very top-level summary of what Lion Mike discussed:

- What is Blockchain....basically a distributed digital ledger, where transactions (like bitcoin) are recorded chronologically and publically.
- How does bitcoin work: (see photo below for top level info)

- What should you conclude about this technology?
 - Cryptocurrency is just one use for blockchain
 - Blockchain and cryptocurrencies are here to stay
 - They **WILL DISRUPT EVERY INDUSTRY**
 - Care for your digital assets like your most valuable possessions

After Lion Mike's presentation, club members voted on changes to our Club's Constitution & By-laws that the Board had already approved. The changes reflect: 1) Reduction in size of Board; 2) Reflection that we will be part of District 24-L effective 1 July; and 3) Correction of Entrance Fee for new members.

1VP Karen Parker reported on Terry Breda being in the hospital, accompanied by Lion Joe Breda. We wish the Breda's the very best.

50-50 winners: PDG Woody Woodward, and Lion Rodney Neely. BOTH donated their winnings to VLEIF!

Lions Information

Lion Scott and Liz Dulaney were traveling recently. Their journey took them to Umbria region of central Italy. The surrounding area includes the town of Assisi - many of us have heard of St. Francis, who founded the Franciscan religious order in Assisi in 1208. Anyway, Scott noted that Lions have a presence in Assisi - witness the plaque in the photo above. The plaque is mounted near the gate known as "Porta San Francesco" - one of the entrances to the walled city of Assisi.

What's Up with Lion Spouses

All Spouse-related information welcome!

We are always proud to see the continued artistic achievements of Marisela Rumberg. And we have another opportunity Sat, June 9, 2018, 6-9pm to see Marisela's latest creations at an evening reception at the Workhouse Art Center. Her work reveals "nature's fingerprints" in silk, cotton, wool and paper as fibers are stained with real leaves, flowers and rusted found objects. (Details at the end of this newsletter)

Tribute to Lion Elden Wright

Elden Wright, after a career as an Army Special Forces officer, joined the Fairfax Lions Club in 1983. A Lion for 35 years, Elden volunteered in many capacities - always setting the example for exemplary community service. Elden's leadership, skillful planning, and constant dedication assured successful service by the Fairfax Lions Club in our community and in support of important service projects to help less fortunate persons around the world.

(Two left photos are with his sponsor, Lion Bill Bartlett and right photo is with the inducing officer, PDG Bill Smith.)

Elden Wright planned and led many local Lions Club service projects. Among them are community blood drives resulting in over 3300 units of life-saving blood for the Red Cross, and eyeglass dispensing for needy persons for which he managed charity funds, qualified individuals needing vision correction, and coordinated the provision of 50 or more pair of eyeglasses each year. Elden also served as President and Chief Executive of the Virginia Lions Eye Institute Foundation, which is co-sponsored by Lions Clubs and the Inova Health System. In that capacity, Elden coordinated free eye care for needy patients with the Inova Cares Lions Eye Clinic. This included medical care and surgery for all types of eye conditions. Elden managed funding for continuing medical education for nurses and para-professionals, equipment purchases for local not-for-profit hospitals, scholarship awards to sight handicapped individuals, clinical research, and rehabilitation of visually impaired individuals through low vision evaluations and use of low vision aids.

Elden led significant charity fund raising activities over the years, enabling the Lions Club to complete its mission of service to needy people in the community. For many years, he led the annual Citrus Fruit Sales. He did long term planning, ordered fruit from Florida, coordinated sales venue and storage, set pricing, and managed advertising and volunteer workers. Elden's personal commitment assured successful sales which raised nearly three-quarters of all Fairfax Lions charity resources. Elden also managed multi-grill cooking operations for two Lions Club food sales each year (July 4, Fall Festival). He transported the grills, provided specialty equipment, assured compliance with food safety standards, and personally cooked for one-half of all grill operations.

Elden served as Fairfax Lions Club President and in 2016 was named "Lion-of-the-Year." A genuinely dedicated servant of his fellow man, Elden Wright's actions exemplify the Lions' motto of "We Serve."

ISCC 2018 Volunteer of the Year Program

Fairfax Host Lions Club

Fiscal Year: 1 July 2017 – 30 June 2018

Lion of the Year: Marilyn Tanner

Lion Marilyn Tanner has been a dynamic and valued member of the Fairfax Host Lions Club since 2003. She is a repeat Volunteer of the Year. She has exemplified herself through service – with a special place in her heart for local community outreach to the poor and needy. Not only is she a hard worker and volunteer, she is also a leader who plans and executes activities with precision. Some of her volunteer activities are:

- Runs our Lions Eyeglasses for the Poor Program (covering Fairfax, Centreville, and Chantilly).
- Leads the Thanksgiving and Christmas Food Baskets for the Poor Program.
- Organizes a food drive for “Food for Others” in May.
- Leads the “Road-kill Saturday” Program to clean-up trash from an assigned stretch of a street in the City.
- Runs the Lions Reading Action Program (a large number of Braille books last year for children suffering from blindness and a large number of children’s books this year for needy 5-6 year pre-kindergarten children at the Greenacres Senior Center).
- Active volunteer at various local Lions service and charity fund-raising activities.
- Active involvement with improving and maintaining our cabin at the Northern Virginia Lions Youth Camp.
- Active participant on several important committees.

Nature's Fingerprints

Artist **Marisela Rumberg** reveals nature's fingerprints in silk, cotton, wool and paper through Eco-Printing and Rust Dyeing – sophisticated techniques in which fibers are stained with real leaves, flowers and rusted found objects.

These techniques require painstaking perseverance, inspiration and serendipity to discover which plants combine with which natural elements to produce works of fiber art. Using only natural dyes, each art quilt, silk scarf and framed work is an alchemy of color and texture as unique as a human fingerprint.
